TECHNICAL SKILLS

- AI Skills: Prompt Engineering, AI-assisted Development, Workflow Automation
- Tools/Platforms: n8n, AI Tools (ChatGPT, etc.)
- Technical Understanding: Programming Concepts, API Integration
- Development Approach: Developing web projects using AI-driven workflows and efficient prompt design

COURSEWORK / SKILLS

• Programming
Fundamental

• Database Management
System (DBMS)

• Operating
System

• Web Development
Basics

PROJECTS

[Resume Hub](#) – AI-Powered Resume Screening System

06-2025

- Developed an AI-based resume screening system to rank candidates based on job descriptions
- Implemented semantic matching using Sentence-BERT for accurate similarity scoring
- Built backend APIs using Flask for resume processing and candidate evaluation
- Integrated multi-format resume parsing (PDF, DOCX, images) with OCR support
- Designed a responsive frontend dashboard for real-time candidate ranking and results

02-2026

Technology Used: Python, Flask, React.js, Sentence-Transformers, NLP, APIs

[Eco-Sort AI](#) – Real-Time Waste Classifier & Disposal Guide

- Developing an AI-based system to classify waste using computer vision
- Working on real-time detection using YOLO and OpenCV
- Designing system to guide users for proper waste disposal

Technology Used: Python, YOLO, OpenCV, Streamlit

ACHIEVEMENTS

- Successfully completed Web Development Internship with hands-on project experience
- Currently working as an AI Intern, contributing to API integration and workflow automation tasks
- Implemented real-world solutions including alert APIs and automated workflows using n8n
- Earned multiple industry-recognized certifications in AI, development, and communication

CERTIFICATIONS

Claude Code in Action – Anthropic

03-2026

Gen AI Engineering Mastermind – Outkill

03-2026

Frontend Development – OneRoadmap

07-2025

Cisco Networking Basics – Coursera

09-2024

Knowledge Management – NPTEL

07-2025

IT for Business Success – HP LIFE

04-2026

EDUCATION

Jagran Lakecity University, Bhopal
Bachelor of Computer Applications (BCA) - CGPA: 7.1

2023 – 2026
Bhopal, India

Shanti Niketan Montessori Higher Secondary School
Secondary (CBSE), 2020
Senior Secondary (CBSE), 2022

2019-2022
Narmadapuram, India
Narmadapuram, India
